Cozumel ATV Adventure: Jade Cavern, Snorkeling and Beach

Overview

This Cozumel day starts with an ATV engine and ends with Caribbean saltwater and a tequila tasting. Leave the waterfront for El Cedral, a historic village rooted in one of the island's oldest Maya settlements, then choose a single ATV or share a double and follow jungle trails to Jade Cavern.

At the cavern, engine noise gives way to an emerald cenote surrounded by limestone and dense vegetation: explore the edge, take in the view or cool off with a swim. Then trade the jungle for the Caribbean with a snorkel, before a guided tequila tasting. Round-trip transportation from the meeting point is included.

• Guided jungle ATV ride from El Cedral to Jade Cavern
