Cancun ATV, Ziplines, Hanging Bridges and Cenote Adventure

Overview

Cancun's turquoise Caribbean gets the attention, but some of its biggest adventures begin where the beach ends. Start with a 45-minute ATV jungle circuit on winding trails, riding solo or sharing with a companion.

Next, fly across seven ziplines, cross two hanging bridges and take on the spider web challenge. Then cool off with a swim in a magical cavern cenote, with clear freshwater and spectacular rock formations. Round-trip transportation from selected hotels, safety equipment, a light snack and water are included.
