Cozumel Island Tour: Mayan Ruins, Reef Snorkeling & Beach Escape

Overview

Cozumel goes far beyond its famous beaches. Travel from the world of the ancient Maya to colorful reefs and turquoise water in one day. At San Gervasio, explore a sanctuary dedicated to Ixchel, where Maya women once made pilgrimages. Cacao, chocolate and traditional tortilla making turn history into something you can taste, and a tequila tasting adds a distinctly Mexican touch.

Then snorkel a Caribbean reef and settle into a reserved beach-club area with chairs, an umbrella and a welcome drink. Choose the shared tour to travel with other guests, or the private option for a vehicle and guide just for your group. Round-trip transportation from the meeting point is included.
